

ISRT WEBSITE LINKS

The Iowa Society of Radiologic Technologists has developed our own website (www.isrt.org) and we would like you to consider advertising your organization on our website. Website links on the ISRT site will help fund scholarships, our member journal, student recruitment into the radiologic sciences and the educational activities of our membership. All links will go to the sponsor's designated home page. Sponsor information will be a single line hyperlink unless the sponsor provides and electronically formatted logo for display.

The cost of a link is \$360 for a front page ad per year, and \$240.00 per year for any other page, prorated monthly. The ISRT calendar year is January through December. New sponsors will be billed based on the full months left in the year. Upon receipt of payment, the link will be placed on the webpage within 14 days. Invoices will be sent out 30 days prior to the end of each calendar year with payment required by January 31st.
