## APPLICATION FOR MEMBERSHIP ARRT BOARD ELIGIBLE RADIOGRAPHY STUDENT

We offer you a gift from the Iowa Society of Radiologic Technologists (ISRT). This is for being ARRT (Radiography) Board eligible via a Recognized Radiography Program. We offer you a 1-year membership to the ISRT, free of charge.

The membership year is either July 1 – June 30, or one year from the end of your current membership.

It is our hope, that this will help you in your 1st year out of school and that you would renew this ISRT membership annually thereafter.
