PRESIDENT MESSAGE

ISRT President 2016-2017
Don Bishop

I want to start by wishing everyone a safe and happy holiday season. The holiday season is usually a season of caring and sharing, bringing out the best in people. In Iowa, the holiday season also usually brings out the snow falls and MI's leading to the increase workload for our technologists. As the year comes to an end and you start to feel like you are doing more with less remember this, "Every year, more than 300 million x-rays, CT scans, MRIs and other medical imaging exams are performed in the United States, and seven out of 10 people undergo some type of radiologic procedure."(Charles W. Pickering)

As you can see, we all make an impact in the daily lives of so many people. We are all professionals that care about people year-round, not just during the holidays. For this I am grateful to be in such a wonderful profession.

Happy Holidays,
Don Bishop BS RT(R)
ISRT President
