APRIL 2018 ATTACHED REPORTS

Executive Committee Report

Nothing to report, other than the Finance Meeting results.

On 4/5/2018, Greg Opsal from Waddell and Reed presented to the finance committee our account review. We are currently 2/3 stocks and 1/3 bonds. Since last year we increased our profits by 14.55%, which was an increase of \$33,365.89.

Greg recommended a small change of increasing small and mid-investments by 5% and decrease large cap investments by 5%.

Everything looks good and we don't foresee any major changes.

Respectfully submitted,
Yvonne Grant

April 2018 Webmaster- Hawkeye Static Editor Report

The SwankHealthcare conversion to ReliasLearning went well. My 2nd training with the Transition Team is complete so all

further communication or questions will be done with the 24/7/365 contact desk according to the contract. During that training I asked for electronic instructions to give each user. They assigned an automatic tutorial course through the site on each new user.

I receive a monthly notice of course completions by user. Copy/pasting the course lists of overusage for the invoice's is easier.

Since 4/10/2017: 82 extra courses have been completed. All courses were completed without payment in advance. The ISRT must remain diligent in this monitoring. As sending invoices recovers funds to be used to pay our monthly bill with ReliasLearning. Every person who renews membership with the ISRT is checked with usage on the site and e-mail updated if needed.

82 extra courses x \$15/each= \$1,230.00

I have recovered all but \$45.

1-year free membership gift for the 2018 class started April 1st. I have received 0 Graduating Student Membership applications, since their conference follows the ISRT Annual Meeting this year. **Deadline is June 1.** Their membership year is July 1-July 1 the following year, unless of course they are a current member. Then their membership is extended an additional year. I have requested the online application be added back onto the website. *it makes it easier to decipher the information from the students. Their handwriting can be difficult to read.

There were 66 students that took advantage of the gift in the 2017 class.

2016 class: 41, with 10 still holding membership in 2018.

2015 class: 83

2014 class: 55

The ISRT website is a source of information. Neapolitan has been fielding e-mails and orders from too many people on the ISRT Board. The ISRT Webmaster who is a Registered Technologist should screen information prior to being placed on our ISRT website for its appropriateness, as that person is the one that will be getting questions by users. Neapolitan, as the paid website host should only place what they've been told to upload onto the site. A named ISRT Webmaster needs to continue to exist because the members will need one consistent person to contact. The Board positions/duties change and the ISRT members will not have consistency to rely on.

The March edition of the Hawkeye Static is posted on the website.

Please remember to forward your reports to me, in .doc, .docx, or excel so they can get in the Hawkeye Static.

isrtweb.editor12@gmail.com

PDF documents take too much time to convert or copy/paste with editing done too.

The deadline for the next edition of the Hawkeye Static is: May 15th.

I'll need all reports for the BOD meeting, Minutes of BOD meeting and Annual Meeting, President's Message from Matt, Outgoing message from Tammy.

Member At Large Chairperson Report

On March 6th I responded to Rosie from Iowa Lakes Community College in Emmetsburg, IA. She was inquiring if the ISRT could send speakers to their hospital for continuing education credits, due to their location it can be difficult for technologists to travel to our Spring Symposium. I explained that at this time sending speakers to specific locations was not something the ISRT was offering but we are available to help with all other aspects of any future meetings they may have.

At this time there are no other pending meetings.

Respectfully submitted,

Breanna Crockett

Legislative Report

Legislative Advisory Report for April 2018 ISRT Board Meeting

Over the last couple of weeks everyone should have received a letter from the Iowa Department of Public Health stating they are transitioning to the ACR for Mammography. This accreditation has to do

with the films you send in to be reviewed. This transition is based on your certification expiration date. See below Notification for March 2018.

INFORMATION NOTICE 2018-01
March 2018
Accrediting Body Transition

The State of Iowa will be transitioning all Accrediting Body (AB) responsibilities to the American College of Radiology (ACR). This transition will be completed by 11/30/2019.

The State of Iowa will remain a Certifying Agency (CA) to include all inspection and certification processes.

The State of Iowa will continue to authorize all mammography facilities located in Iowa.

IDPH is issuing this notice to inform mammography facilities of the State of Iowa's transition of AB responsibilities to the ACR. This transition will gradually occur in order to align with the strategic plan of our bureau. This advanced notice will allow facilities time for budgetary planning prior to the transition. This change will be completed by 11/30/2019.

IDPH mammography program staff will provide individual instruction to facilities on the transition process to the ACR when appropriate. Appropriateness will be based on the MQSA certificate expiration date.

Facilities with MQSA certificates expiring before 2/28/2019:

- May re-accredit with the State of Iowa or ACR, to be completed by their expiration date.
- Any facility that re-accredits with the State of Iowa will be required to transition to the ACR on 11/30/2019.

Facilities with MQSA certificates expiring 3/1/2019 and beyond:

- Will be required to re-accredit with the ACR, to be completed by their expiration date.

As a CA, the State of Iowa will continue to annually inspect all mammography facilities as well as complete all certification processes.

The State of Iowa will also continue to authorize all mammography facilities located in Iowa. Previously, this function was combined with accreditation if the State of Iowa was the AB for the facility. If the ACR is currently the AB for a facility, the authorization process will not change.

Any questions may be directed to:

Angela Leek, Bureau Chief (angela.leek@idph.iowa.gov)

Kellee Kemp (kellee.kemp@idph.iowa.gov)

Gina Fuller (gina.fuller@idph.iowa.gov)

Patty Riesberg (patricia.riesberg@idph.iowa.gov)

For more information on accrediting with the ACR and their fees, please refer to their website at <https://www.acraccreditation.org/modalities/mammography>

Bureau of Radiological Health
<http://www.idph.iowa.gov/radiological-health>

In January Debra Wilks replaced Dave Myers who retired at the Iowa Department of Public Health. She is currently working on Shielding Plans and updates to those regulations. IE Dental, Possible Podiatry and CT Scanners and Flouro being done by a Physicist.

For Nuclear Medicine Radiopharmaceuticals regulations were changed to match the regulations of the NRC.

No other rules or regulations are currently being talked about at this time.

Respectfully Submitted,

Yvonne Grant

Historian Report

The ASRT has offered to archive all of our historical items to electronic files and also store the items at the ASRT Museum and Archives in New Mexico. I would like to recommend that the ISRT BOD pursue this offer. If approved to send the historical items, I

would like to set a date and time to determine what items to send or discard.

The Historical Quiz and items to display are ready to go for tomorrow's meeting.

Respectfully submitted,

Connie S. Spicher

Parliamentarian Report

I have received one name of a deceased technologist since the previous meeting. Amy Rene Richard 38, of Marengo Iowa, formerly of Wayland, passed away August 13, 2017. She attended Mercy /St. Lukes School of Radiologic Technology and worked at the Marengo Hospital.

The two previous technologists names received thus far this year were Marcia (Marcie) Palmitier and Bruce Kellogg.

Respectfully submitted,

Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian / Bylaws Chair

ISRT Fellows Committee Report

Congratulation to Tracy Kimler R.T.R., our very first ISRT Fellows recipient. Tracy has met all the criteria

required by the ISRT to receive this honor and was notified in January. The Fellows award will be presented to Tracy at the 78th annual ISRT meeting on April 7, 2018 following the installation of officers. Congratulations to Tracy on this momentous accomplishment!

Respectfully submitted,

Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian/ Bylaws Chair

Bylaws Report

There have been numerous changes to the ISRT bylaws this year. Bylaws were reviewed by ASRT's parliamentarian and suggested changes were made. Proposed changes were sent electronically to the membership in late February via email and Facebook. Most changes revolve around verbiage changes to match ASRT. Article V – Membership: Section 4 - Resignation/ Reinstatement was revised to include legal terminology and coverage for indebtedness. Article XV Area Indemnification and Dissolution was removed since all Areas have been dissolved. A new Article was created - Article XV- Censure, Reprimand, and Removal. All of the previous sections were removed from throughout the bylaws and moved to the new Article. The Article was revised to match ASRT verbiage.

Respectfully submitted,

Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian/ Bylaws Chair

Meeting Registration report

The website was easy to function and really enjoyed working from it. Reports and badges were easy to print and access. I would use them again. Much easier than the registrations I have done in the past. My only issue was who was doing what so we were not duplicating and suggest that next year we have a list of who is taking care of things.

Friday we have 92 registered for the meeting, which includes techs, board members and students, but does not include the vendor tables or speakers that may be eating,

Saturday we have 101 Registered for the meeting

Three tables for vendors

83 Two day attendee's

9 Friday only

18 Saturday Only

There are a total of 114 registered for the meeting.

Respectfully submitted,

Yvonne Grant, Meeting Registration Chairperson

The Board of Directors of The Iowa Society of Radiologic Technologists welcomes you to the 78th Annual Meeting and Symposium

We’re so glad you could join us for the Annual Meeting.

We hope you will enjoy the educational portion of our meeting and take the opportunity to meet some of your colleagues from across Iowa. Education is one of the keys to providing the best patient care. The ISRT appreciates your attendance at our conferences and at the Annual Meeting of the organization.

As an organization and an Affiliate of the ASRT there is some required business that must take place every year and we have interspersed those requirements into the program. Please join us for those sessions to learn what your professional organization is all about and to meet the officers and staff members of the ISRT.

Suggested Topics for Next Year:

Mental Health, STAR clinic-fostering/children from traumatic backgrounds, have a radiologist as a speaker, Great meeting! Enjoyed all the speakers. I loved all of Julie's topics very different than all others. I would say as someone out of the city the women's center info was great. More stuff like radiation emergency response, tips and tricks to positioning but more for limited radiology, understanding rules and ethics ARRT vs ASRT, technologist scope of practice-can't and can do, legal rights and responsibilities to report- retaliation and harassment, EEO OSC-ORM-OIG-Jacho-Who's who, how to report violation – who can help me?? When facility won't. Neonatal. Interesting /rare pathologist that may be seen, new imaging technologies out or to come, radiation disasters, how mistakes/disasters have improved medical imaging. Hybrid imaging, cardio vascular-carotid stents endografts, Great variety in presenters.

General comments-

We appreciated the venue both for the conference room as able to see presentations better.

Great venue. I appreciated the lower cost. Very interesting topics.

I thought the facility and food/drink was really nice, very well done.

Great price for the meeting also. Thank you!

Loved this location – please use it again.

Bring Julie back, she had a lot of information and made it interesting to listen and learn. Food and location was VERY good. Definitely want to come back next year and will brag to classmates.

Speakers and topics outstanding. Venue and cost outstanding. Like the central location and nice parking ramp. Great door prizes.

I would HIGHLY recommend keeping the meeting location in central Iowa for all ISRT members traveling. This conference location and facility was outstanding!!

Great program: wish I could have come Friday.
More 100% fruit juice for breakfast. Breakfast sandwiches were delicious. Chairs, seating/auditorium was AWESOME! Is there any state that does have a strong state membership. If yes, what are they doing that we can model it.
Really liked this set up for comfort. Great job everyone as always. We love the location!
Great facility! Food/snacks/drinks were wonderful. Great educational speakers! Good job!
Great variety of topics. It is nice to have new information presented as well as review.
Need some or more Recycle locations/ opportunities.
Topics today were very interesting!
Wonderful facilities, Great snacks and lunches, Great speakers both days. Great job Board of Directors.
Great facility, Great food – maybe off ½ sandwich opt- save \$ - maybe some real cream for coffee. Loved out early/eat in lecture room. Great job everyone! See you in 2 years

MATTHEW J. KEILLY MEMORIAL

Matthew J. Keilly was born September 17, 1900, in New York City and received his education there. He was first employed in 1924 by a machine manufacturing company in New York. In 1935, he joined Eastman Kodak Company and was later a sales representative in a territory that included Iowa. He died suddenly while vacationing in Mexico on January 4, 1963. It was during his years in Iowa that he became a true friend to the I.S.R.T. His generosity with his personal time resulted in education and social endeavors during annual meetings and district functions. Not only were the members able to enjoy the friendship of Matt Keilly, but Matt also enjoyed joining the members in relaxing moments during their meetings.

The consensus of those who knew Matt Keilly is that he was a dedicated man, dedicated to helping his friends to do their jobs well and dedicated to helping those people grow in their chosen professions. He was a kind, friendly man as many radiologists, technologists, and business colleagues will long remember.

At the January 27, 1963 I.S.R.T. Executive Committee meeting Mr. R.S. Macy informed the committee of the death of Matthew J. Keilly. He also mentioned that a friend of Matt's wished to make a donation in Matt's name to the I.S.R.T. on hopes that some type of memorial could be established. From records contained in the historian's files, the contribution of \$50.00 was received on January 28, 1963. There is no record of correspondence in the files indicating how the knowledge of the memorial was publicized, other than through the districts to their members. But, in February of 1963, the Board became aware that there were others who wished to contribute and determined that this should be a permanent memorial with the funds being put into an interest bearing account. The Matthew J. Keilly Fund was officially established. Correspondence continued with all the contributors and particularly with a relative of Mr. Keilly's who anonymously contributed over \$350.00 in 1963. The I.S.R.T. continued to receive contributions from districts, members, friends, and colleagues and in 1964 the I.S.R.T. matched the amount in the fund, making the total approximately \$1,000.00.

At the 1964 Annual Meeting, it was announced that the Matthew J. Keilly Award would be presented to the First Place Scientific Paper presented at the Annual Meeting. Sister Ann Marie Strickling was the first recipient. The I.S.R.T. continued to honor the request of the contributing relative to remain anonymous. During 1963, 1964, and 1965 his contributions totaled \$500.00. In 1975, upon his death, a bequest of another \$500.00 was forwarded to the Society. During those years, photographs of the plaque and the recipient were sent to him and his return correspondence displayed the impact that this memorial made on his life. The award continued to be given to the First Place Scientific Paper until 1968. At that time, the Executive Committee discussed and the membership approved inviting a guest lecturer to receive the reward. At the 1969 Annual Meeting the members voted that the interest earned from the fund be used for public relations and educational purpose. The Executive Committee, abiding by this directive, determined that the Matthew J. Keilly Award would be presented to a technologist who had been outstanding in his/her contribution to further the science of radiologic technology in Iowa. This practice has continued with the recipient of the award now receiving a plaque and a \$300.00 honorarium. The I.S.R.T. and its members who have perpetuated this memorial can certainly be proud of their endeavors and farsightedness. The recipients have honored the name of Matthew J. Keilly.

2018 MATTHEW J. KEILLY RECIPIENT

Yvonne Grant B.S. RT(R)(CT)(MR)

Yvonne graduated from the University of Iowa in 1982 and started her career in the CT department. After she married Robert Grant, they moved to Cedar Rapids and eventually to Des Moines. She worked at Mercy for several years building up the CT department and starting the MRI department. Yvonne also taught at Mercy College during this time. She has held many roles in diagnostic imaging with her latest roles at Lutheran and currently Broadlawns. Yvonne has recently been instrumental in opening up the Vein Center at Broadlawns.

More than anything, Yvonne loves her family and is now enjoying the latest addition of a grandson named Drake.

As you can see, she has been involved in the profession not only as an employee but for several years in the ISRT. We are proud to recognize Yvonne Grant as the 2018 Matthew J. Keilly award recipient.

Quorum met

The special meeting of the ISRT was called to order at 10:00 am by President Matt Millard.

Introductions were made. Agenda items were reviewed. Quorum was established.

STUDENT EDUCATOR MEETING

Proposal to combine the ISRT Annual Meeting with the Student/Educator Meeting was discussed. Matt Millard provided the background from the educators. Logistics needed to facilitate this was reviewed, including separate rooms for educators, students, and technologists. Calculations of additional costs incurred for added attendees and associated meeting registration fees were considered. The members felt the costs would be recovered. A motion was made by Tammy Delker to combine the two meetings. Motion was seconded by Jessica Sears. The motion carried.

WEBSTE COMMUNICATION

BOD website Communication was reviewed. Matt directed all future website communication be sent to Tracy. She will send communication to the board members; all will be cc'd on responses by Tracy for continuity.

MINI SYMPOSIUMS

Discussion held regarding feasibility of the ISRT hosting a 4-hour mini symposium in Davenport on June 2, 2018. Tammy Delker made a motion to host a 4-hour mini symposium, Kerrie Bunnell seconded the motion, motion carried. Don Bishop will serve as chair.

There is a proposal to host a 4-hour mini symposium in Sioux City on September 19, 2018. We will consider Mary Cowan as possible chair. Further discussion / approval will be at the June BOD meeting.

There is a proposal to change the location of the 79th Annual Meeting of ISRT to Des Moines on April 12-13th, 2019. This will be combined with the Student Educator meeting. Kerrie Bunnell and Terri Whyte will serve as co-chairs. Yvonne Grant and Anne Edwards will do registration. Further discussion /approval will be at the June BOD meeting.

REPORTS FOR BOARD MEETINGS

All reports for the June board meeting should be sent to Matt Millard and Joni Caplan. Joni will upload reports to google drive for members review prior to meeting. Please bring questions to the meeting for discussion. The only report that will be read aloud will be the financial report.

President Matt Millard adjourned the meeting at 10:48 am.

Respectfully submitted,

Susan Eckels, MHA, ARRT (CV)
ISRT Secretary

IOWA SOCIETY OF RADIOLOGIC TECHNOLOGISTS SCHOLARSHIP – 2019

Technologist Scholarship and Mary Ann Jennings Memorial Student Scholarship

The ISRT in keeping with its mission to educate has provided two scholarships available for each a Technologist and a Student Radiographer. Two \$500 scholarships will be awarded each year; one to a second year student and the other to a technologist enrolled or accepted into an educational program. The recipients of the scholarships will be chosen by lottery at the ISRT annual meeting in April. Recipients need not be present to win. The deadline for application is February 1st of each year.

GUIDELINES FOR APPLICATION

In order to qualify for the scholarship, applicants must meet the following criteria:

1. A Radiologic Technologist must:
 - A. Be a current member of the Iowa Society of Radiologic Technologists
 - B. Hold a current Iowa Permit to Practice,
 - C. Hold active status in the ARRT or be registry eligible
 - D. Be enrolled in or accepted into an Advanced degree or an Advanced ARRT or equivalent certification program.

2. A Radiologic Technology Student must:
 - A. Be a current member of the Iowa Society of Radiologic Technologists
 - B. Be enrolled in an accredited Iowa Radiologic Technology program for at least nine months by Feb. 1st
*(9 months = enrolled by May 1)
 - C. Have a current cumulative GPA of 3.0 or higher.

INSTRUCTIONS FOR COMPLETING APPLICATION

1. Application is to be completed by applicant. All questions must be answered. Please type or print clearly.

2. Attach the following to completed application:
 - A. Technologists:
 1. Copy of ISRT membership card
 2. Copy of Iowa Permit to Practice license
 3. Copy of ARRT card or letter from program director stating Registry eligibility
 4. Documentation of enrollment or acceptance into an Advanced degree program or an Advanced ARRT or equivalent certification program.
 - B. Students:

SCIENTIFIC POSTER RULES

1. ELIGIBILITY

- A. There is one category of scientific poster competition.
 - 1. Registered radiographers and Student radiographers shall compete in one category and may have only one entry.
 - 2. These categories shall be judged separately and all shall receive equivalent awards.

- B. All members in good standing of the Iowa Society of Radiologic Technologists, except those described in paragraph C below, are eligible to compete, provided that their completed applications are sent to the I.S.R.T. President-Elect postmarked no later than **February 1st**, of the current year. (See Section III paragraph A)

- C. The following I.S.R.T members may NOT participate in competition:
 - 1. President
 - 2. President-Elect
 - 3. Annual Meeting General Chairman
 - 4. Co-Chairman
 - 5. Scientific Exhibit Judges
 - 6. Persons employed by commercial firms engaged in the sale, repair or manufacture of imaging equipment or products.

- D. Once the poster is submitted for competition it may not be entered in subsequent I.S.R.T annual meeting competitions.

- E. In order to be eligible for competition the participant(s) must be a member(s) of the I.S.R.T at the time of submission. The competitor(s) must send a copy of their current I.S.R.T. membership card in with the application for presentation.

II. JUDGING

- A. Judges shall be appointed by the President-Elect. The Executive Committee of the I.S.R.T shall approve their

selection. Judges shall be responsible only to the President-Elect. Judges must inform the President-Elect of any actual or potential conflicts of interests encountered while serving as a judge.

- B. The judges' selection of award winners shall be based upon the ratings listed in the **SCIENTIFIC POSTER EVALUATION** {Section VI}. The decisions of the judges are final.
- C. The scientific poster judges shall complete a written evaluation of each scientific poster, and the evaluation shall be available to each participant upon request. The request by each primary participant shall be made on the application form.

III. POSTERS

- A. Applications are to be sent to the I.S.R.T President-Elect by certified mail, return receipt requested. Submission date is determined by the postmark and the returned receipt verifies and acknowledges receipt by the President-Elect.
- B. After submission of the application to the President-Elect, **NO CHANGES** may be made with regard to poster title or primary participant.
- C. A maximum of two authors per scientific poster shall be allowed.
- D. Poster Format
 - 1. A participant will share a **six foot table 15" deep** to display a self-contained poster.
 - 2. View boxes **WILL NOT** be permitted
 - 3. Posters that do not conform to the specifications mentioned in the above paragraph shall **NOT** be eligible for competition.

F. Posters must represent the original work of the participant(s) and cannot be commercially prepared. The posters shall not contain any marks or clues to the participant's identity such as pictures, references to physicians, hospitals or companies; address; or telephone number. The poster shall demonstrate, in the lower right hand corner, an ID supplied by the I.S.R.T. (no larger than 3"x5") containing four digits. The President-Elect will prepare the four digit ID card.

G. The poster must be self-explanatory. Appropriate media may support it. It shall be limited to a subject area related to the Imaging Sciences. Posters shall not contain excessive written descriptive explanation. A well-presented exhibit requires only minimum written explanation. The poster shall speak for itself.

H. If visuals are incorporated, no identification of a patient or his or her name is permitted.

I. A scientific poster submitted for competition must not have been previously shown at an I.S.R.T. Annual Meeting. A scientific poster, having been shown competitively at any other Radiologic meeting (A.S.R.T, other affiliate societies, etc.) may be submitted for competition.

J. Any poster that does not adhere strictly to these rules will be eliminated from competition. **No exceptions will be made to these rules.**

IV. INSTALLATION AND DISMANTLING OF POSTERS

A. Installation:

1. The Posters Committee will assign display space.
2. Each participant will assume responsibility for arranging his/her poster consistent with the directions of the Posters Committee.

3. If a participant is unable to install and/or dismantle his/her poster, he/she shall personally arrange for a designee to assume this responsibility.
4. Installation of scientific posters should begin on Friday, the first day of the annual meeting at 7:00 A.M. and must be completed by 1:00 P.M. Friday.

B. Dismantling:

1. Scientific posters shall remain intact in the viewing areas until 12:00 Noon, Saturday, the last day of the annual meeting. At which time award checks will be available through the Executive Secretary.
2. Scientific posters shall be dismantled no later than 2:00 P.M. Saturday, the last day of the annual meeting.
3. Scientific posters that are not dismantled by the specified time shall be disposed off at the I.S.R.T.'s discretion.

V. LIABILITY

- A. The participant(s) shall assume responsibility for the poster.
- B. The I.S.R.T. is not responsible for loss or damage. All reasonable precautions to assure safety of the posters during the viewing periods specified in the official annual meeting program will be exercised by the participant.

VI. SCIENTIFIC POSTER JUDGING CRITERIA

All posters shall be judged by the criteria and point scale of the SCIENTIFIC POSTER EVALUATION.
