PRESIDENTIAL ADDRESS

Matthew Millard, President

Hello All,

Plans are well underway for our 79th Annual Meeting in April of 2019 so mark your calendars for April 26th & 27th at Iowa Methodist Medical Center in Des Moines. A unique thing happening this year is the Annual Meeting will be held in conjunction with the Student Educator Conference which will also be at IMMC on April 25th & 26th.

This will be the first year the ISRT will be the hosts of that event which the University of Iowa were the originators of and held the event for many years. I would like to thank the University of Iowa faculty for doing such a great job with the Conference and for giving us the opportunity to try to live up to their standards, to deliver a learning opportunity for the students, and to try and bridge that gap from being a student into the profession as new technologist. Make sure to check out the ISRT website as details begin developing.

Remember the Purpose of the ISRT is to,

advance the science of medical imaging and radiation therapy, to maintain high standards of education, to enhance the quality of patient care, and to further the welfare and socioeconomics of radiologic technologists.

One of the ways we do this is to award two, \$500 scholarships each year; one to a 2nd year student and the other to a registered technologist enrolled or accepted into an educational program. Scholarship applications will be accepted until 2-1-19. All applications must be submitted to:

Ashley Balliet
Mercy/St. Luke's School of Radiologic Technology
PO Box 3026
1026 A Ave NE
Cedar Rapids, IA 52406-3026

This is our first year the ISRT has not been broken down into Areas but rather having one central governing body. One of the concerns many had with us doing this was losing the ability of those active "Areas" to get together to share ideas and hold CE opportunities.

The ISRT held a Board meeting and mini-symposium in Davenport in June. The Board Meeting was on Friday night with a 4-hour CE symposium on Saturday morning. A similar thing will be taking place on November 3rd at St. Luke's Hospital in Sioux City, IA and the details of that event are available on our website. As a member of the ISRT you have the option of hosting an event in your city and the ISRT will help you with the planning process. Just contact Kerrie Bunnell at kbunnell@mercydesmoines.org and she will help with that process.

Thank you for continuing support to make our profession the best it can be by being members of the ISRT!
Matthew J. Millard, MSTD, RT(R)(CT)
ISRT President

HAWKEYE STATIC PUBLICATION DATES

In order to be timely in the printing and distribution of the Static, the following dates identify the deadline for receipt of materials for the respective issues. The materials are to be received by the editor.

Quorum met

The special meeting of the ISRT was called to order at 10:00 am by President Matt Millard. Introductions were made. Agenda items were reviewed. Quorum was established.

STUDENT EDUCATOR MEETING

Proposal to combine the ISRT Annual Meeting with the Student/Educator Meeting was discussed. Matt Millard provided the background from the educators.

Logistics needed to facilitate this was reviewed, including separate rooms for educators, students, and technologists. Calculations of additional costs incurred for added attendees and associated meeting registration fees was considered. The members felt the costs would be recovered. A motion was made by Tammy Delker to combine the two meetings. Motion was seconded by Jessica Sears. The motion carried.

WEBSTE COMMUNICATION

BOD website Communication was reviewed. Matt directed all future website communication be sent to Tracy. She will send communication to the board members; all will be cc'd on responses by Tracy for continuity.

2018 – 2019 ISRT EDUCATION and MEETING DATES

ISRT Board Meeting dates and locations are as follows:

- A. June Meeting: Friday June 1, 2018 in Davenport, time and location TBA.
- B. Saturday September 15, 2018 in Sioux City. *location changed to Des Moines.
- C. Saturday January 12, 2019 at Unity Point in Des Moines.
- D. Thursday April 11, 2019 at Unity Point in Des Moines.

MINI SYMPOSIUMS

Discussion held regarding feasibility of the ISRT hosting a 4-hour mini symposium in Davenport on June 2, 2018. Tammy Delker made a motion to host a 4-hour mini symposium, Kerrie Bunnell seconded the motion, motion carried. Don Bishop will serve as chair.

Proposal to host a 4-hour mini symposium in Sioux City on September 19, 2018. Will consider Mary Cowan as possible chair. Further discussion / approval at the June BOD meeting.

Proposal to change the location of the 79th Annual Meeting of ISRT to Des Moines on April 12-13th, 2019. This will be combined with the Student Educator meeting. Kerrie Bunnell and Terri Whyte will serve as co-chairs. Yvonne Grant and Anne Edwards will do registration. Further discussion / approval at the June BOD meeting.

REPORTS FOR BOARD MEETINGS

All reports for the June board meeting should be sent to Matt Millard and Joni Caplan. Joni will upload reports to google drive for members review prior to meeting. Please bring questions to the meeting for discussion. The only report that will be read aloud will be the financial report.

President Matt Millard adjourned the meeting at 10:48 am.

Respectfully submitted,

Susan Eckels, MHA, ARRT (CV)
ISRT Secretary

**Board of Directors Meeting
Genesis Medical Center
Davenport, IA
Friday, June 1, 2018 6:00 p.m.**

The June meeting of the ISRT Board of Directors was held on June 1, 2018 at the Interconnect Lounge at Genesis East in Davenport. The meeting was called to order by President Matt Millard at 6:00 pm. The following members were present:

Matt Millard, President, present
Terri Whyte, President Elect, present
Amanda Meier, 1st VP, present via conference call
Yvonne Grant, 2nd VP, present
Susan Eckels, Secretary, absent
Don Bishop, Executive Committee Chair, present
Tammy Delker, Jr. Executive Committee Chair, absent
Mary Cowen, Education Co-Chair, absent
Ashley Balliet, Education Co Chair, present
Tracy Kimler, ISRT Web Editor, absent
Rosie Hanson, Parliamentarian and Bylaws Chair, acting Secretary, present
Joni Caplan, Executive Secretary, present
Connie Spicher, Historian, present
Kerrie Bunnell, Member at large, present via conference call
Jessica Sears, Member at large, absent
Emily Lee, Member at large, absent

INTRODUCTIONS

Introductions were made. A Quorum was established. Matt read a reflection.

MINUTES

Minutes from the April 5th ISRT BOD meeting, the 79th Annual ISRT Meeting and the April Special meeting of the ISRT were sent to members for review. Motion was made and seconded to approve the minutes of the April 5th BOD meeting as written. Motion carried. Motion was made and seconded to approve the minutes of the 79th Annual Meeting of the ISRT as written. Motion carried. Motion was made and seconded to approve the minutes of the April 21st Special meeting of the ISRT as written. Motion carried.

EXECUTIVE SECRETARY REPORT

Joni Caplan presented the financial reports. Reserve funds needed to be transferred into checking. Complete report attached.

EXECUTIVE COMMITTEE REPORT

Don Bishop had nothing to report at this time.

MEMBERSHIP REPORT

Amanda Pitts provided the membership report. Currently ISRT has 464 members. This shows a decline from several previous reports. Complete report attached.

PUBLIC RELATIONS AND COMMUNICATIONS REPORT

Yvonne Grant reported on ISRT Facebook usage. Complete report attached.

NOMINATIONS REPORT

Terri Whyte will serve as chair of the nomination committee. No report at this time.

HAWKEYE STATIC / WEB EDITOR REPORT

Tracy Kimler provided the report. The Hawkeye Static is going online the first week in June. Please send her all the necessary reports and information requested. Conversion from Swank Healthcare to Relias Learning has gone well. Complete report attached.

EDUCATORS REPORT

Ashley Balliet provided the report. The Student Educator Seminar was held in Iowa City on April 11 and 12, 2018. Complete report attached.

PARLIMENTARIAN/ BYLAWS

Rosie Hanson provided the report. Norman Brandt from Ottumwa died May 6, 2018. Complete report attached.

LEGISLATIVE REPORT

Yvonne Grant provided the report. There are no new bills or changes to Chapter 42 Rules and Regulations. IDPH is working to clarify requirements regarding operating radiation machines and are reviewing guidance related rules. Complete report attached.

HISTORIAN REPORT

Connie Spicher provided the report. Historical items will be sorted and sent to ASRT for digital archiving and storage. Volunteers will help Connie sort through items prior to sending to ASRT.

MEMBER at LARGE REPORT

Kerrie Bunnell provided the report. All of the Members at Large of the BOD will be authorized to submit CE approval requests for the ISRT to ASRT and ARRT. Process for tracking submissions will be developed.

OLD BUSINESS

Hawkeye Static /Web Editor Position: Replacement of the Hawkeye Static /Web Editor position was discussed. Options included keeping as one position or split the position and duties. Motion was made to have an Ad-Hoc committee evaluate and make recommendations. Committee will report back by August 1, 2018. Motion was seconded, motion carried. Members include: Joni Caplan, Matt Millard, Kerrie Bunnell, and Terri Whyte.
Annual Meeting Report: Very favorable comments for the venue and location. Final expense report indicates a small deficit. Cost adjustments and modifications were discussed for future meetings.

NEW BUSINESS

Secretary Resignation: Susan Eckels has resigned as Secretary of the ISRT. Matt will check with Jean Wiese to potentially fill the position.
Meeting Minutes Approval: Discussed current approval process for meeting minutes. Motion was made to send minutes electronically for review. Editing and final approval will be done at the next BOD meeting. Motion second, motion carried.
Mini Symposiums: Members at Large will serve as coordinators of ISRT sponsored symposiums. Guidelines and detailed processes are defined in the Member at Large Duties.
79th Annual Meeting of the ISRT: The 79th Annual Meeting of the ISRT will be relocated to Des Moines. Current dates are no longer available. Options include move the location vs. selecting new dates. Matt will check for availability for the last weekend in April at the same location. ISRT will sponsor the Student Seminar in confluence with the Annual meeting.
Officer Responsibilities: Updated responsibilities were reviewed, suggested changes will be made.
Healthcare Think Tank: Matt attended an event with a Speaker from Healthcare Think Tank. He may consider asking them to present at an ISRT meeting.

ADJOURNMENT

Motion was made to adjourn the meeting at 8:30pm. Motion seconded, motion carried.

Respectfully Submitted,

Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian / Bylaws Chair / Acting Secretary

June 1, 2018 BOD Meeting Reports

2nd Vice President Report-

The ISRT Facebook page currently has 485 members with 12 new members added in the last 28 days. The number of times a member looked at the posts between April and May averaged from 218 to 271 views. 2018 National Radiology Technology Week is November 4th thru November 10th, 2018. Once a date has been arranged for the signing of the proclamation I will notify all board members.

Respectfully Submitted,

Yvonne Grant

ISRT 2nd Vice President

Parliamentarian Report-

I have received one notification of a deceased ISRT member since the April 2018 report. Norman E. Brandt 59 from Ottumwa, Iowa died on May 6, 2018. Mr. Brandt was a graduate of Ottumwa High School and graduated from the Radiology Program at Indian Hills Community College. He was employed as a Radiologic Technologist for 25 years at Ottumwa Regional Medical Center. Please notify me of deaths of technologists so I can add their name to the memorial resolution and pay tribute to them at the 2019 annual meeting.

Respectfully submitted,
Rosie Hanson R.T.R. (CV)(M)
ISRT Parliamentarian/ Bylaws Chair

Bylaws Report-

There were significant revisions to the bylaws last year. I anticipate only minor changes for 2018-2019. I will wait until the ASRT Annual Conference is over to verify if any ASRT changes will be required. I will make necessary changes and have available to the BOD by the September meeting. I believe the electronic 30 day notification to the membership worked well last year, we will plan to use the same format this year if changes are required. Current copies of bylaws will be distributed to all officers and technologists affiliated with the ISRT Board of Directors.

Respectfully submitted,
Rosie Hanson R.T.R. (CV)(M)
ISRT Parliamentarian/ Bylaws Chair

Legislative Advisory-

Below is the information and update from Angela Leek – Bureau Chief from the Iowa Department of Public Health – Radiologic Health Section for my legislative report. Currently there are no new bills or changes to Chapter 42 rules and regulations. But, the IDPH is working to clarify a couple of requirements regarding the operations of radiation machines as well as reviewing and reissuing guidance related to the following rules. (no changes in these rules)

1. Facilities are required by 641 IAC 41.1(3) to ensure that all operators of radiation machines are trained in the safe use of each particular machine. This training requirement includes both those required to hold a permit and those who are exempted from permit requirements (i.e. physicians). We will be reminding facilities of this requirement and asking them to check their facility procedures to ensure that all personnel operating radiation machines is properly trained for each machine they will operate.
2. We will be reviewing and reissuing a 1999 guidance document outlining the parameters for allowing non-permitted persons to act as an "extension" of the permitted radiation technologist or other practitioner allowed to operate radiation machines to initiate exposure of the radiation machine. Cases where this may be necessary are when a technologist needs to hold a patient in position and needs an ancillary staff person to initiate the exposure while they are with the patient. Other scenarios include the operating room where the physician is unable to initiate the exposure with the foot pedal and may need an ancillary staff person to initiate the exposure. The basic premise in this scenario is that the authorized individual for radiation

machine operation performs all aspects of technique determination, positioning, and other exam parameters and the ancillary staff is only initiating exposure upon explicit and in-person direction by the authorized individual. The alternative view is that there is no mechanism to allow for this and that only an authorized operator can initiate exposures, in which case we will need know how this will affect facilities who have limited staff available and encounter difficult imaging situations. We are currently reviewing this concept against our current rules and with our legal counsel prior to initiating any additional discussion.

Respectfully Submitted,
Yvonne Grant
ISRT Legislative Chair

Webmaster- Hawkeye Static Editor-

Not much is happening with the website since the updates and changes from the Annual Meeting in April. On May 17th forwarded photos of the missing Board Members; however Neapolitan Labs has not uploaded them yet. Also in the same e-mail I sent the flier for the 6/2/18 mini-conference in Davenport. That was not uploaded either. I again contacted them 5/25/18 to inquire about the delay. I will report that information at a later date.

Hawkeye Static

The June edition of the Hawkeye Static has been delayed. I did not receive all the reports that were requested via e-mail. I will post the edition the 1st week of June with the information I have received.

Items Missing:

President's Address Outgoing President speech Final approved April BOD minutes
Annual Meeting Program flier Annual Meeting critiques Final approved Annual Meeting minutes
MJK introduction write up Student Scholarship recipient RT Scholarship recipient

Online Continued Education

The transition from SwankHealthcare to ReliasLearning has gone well. Although the communication from the site to the members for the assigned course seemed to not be received as well as expected, 86 people completed the Introductory Course explaining how to maneuver the new site. The members may have received the email in their spam or alternate folder and didn't understand the changeover. I continue to monitor the site for over usage, which it does supplement the cost of the online education contact.

ISRT Board Eligible Student membership gift

I have received 57 applications for free membership from the 2018 class of graduating RT students. On or about July 1, they will be individually e-mailed their membership card and online continued education information along with the access.

Respectfully Submitted,
Tracy Kimler, RT(R), FISRT
ISRT Web-Editor Administrator

ASRT CRTA Region 5 Subcommittee Report

I am wrapping up my 2 year commitment as ASRT Committee on Radiologic Technologists Advocacy Region 5 Subcommittee Chair. Iowa and Illinois haven't had any changes in R.T. Legislation during the last 2 years. Michigan, Minnesota and Wisconsin are dealing with ARNP "supervising fluoro" issues that Iowa had many years ago. Also, they are fighting against deregulation of the R.T. License/Permit to Practice.

Respectfully Submitted,
Tracy Kimler, RT(R), FISRT
ASRT CRTA Region 5 Subcommittee Chair June 2016-2018

Educator Chair Report

Communication was sent to all Program Directors in regards to any added agenda items with no response.

Previously an email was sent to all Program Directors informing of the 1 free year ISRT membership for graduates ARRT eligible.

- The Student Educator Symposium was held in Iowa City on April 11-12th, 2018. Once again there was great attendance. Many student exhibits were submitted pertaining to a variety of topics. Only one student volunteered to present an essay at the symposium this year. o According to Stephanie Setter, all but one speaker denied honorarium, resulting in honorarium fees of \$150.
- I have distributed the Educator list have asked for updates and will present the new listing to the ISRT web editor by July 1, 2018. I am awaiting a reply from a few schools still.

I look forward to serving as the Educator co-chair with Mary Cowan this year.

Respectfully submitted,

Ashley Balliet M.Ed. R.T. (R) (M)

Historian Report-

As per the ISRT BOD direction, the historical items will be sent to the ASRT National Headquarters to be digitally achieved and stored at the museum. I will arrange for a Saturday in the next few months to invite others to help go through these items to determine what will be sent.

I have asked everyone who attended the Spring meeting to send any photos to me that they have of the meeting events to be compiled into a photo book.

Connie S. Spicher, R.T. (R)(CT)(M)

ISRT Historian

Member at Large

Speaker Approval Process

ASRT – I do have access to the ASRT site to submit programs for CEU approval

ARRT – Need to get an email address to Tracy so that I can be added to the ARRT site for CQR approvals.

ISRT Spring Event – Davenport

- All four speakers have been approved by the ASRT

- Certificates of completion are done and ready to be sent out once the program is done. I will need to have access to participants e-mail addresses to do this.

- Sent Terri Whyte the templates for sign in sheets and evaluation forms. She is going to get them printed out.

Respectfully Submitted,

Kerrie Bunnell

Member At Large

ISRT Board of Director's Special Meeting Electronic Voting Report

*Susan Eckels resignation was accepted at the June 2, 2018 Board Meeting. Jean Wiese was a candidate nominated from the floor during the April 2018 Annual Meeting. She was asked if she still had interest to be Secretary.

E-mail dated this day June 5, 2018

Through special meeting e-mail method. June 5, 2018 Jean Wiese has agreed to come on board as the secretary.

The motion:

I, (Tammy Delker) move that we install Jean Wiese as Secretary for the ISRT Board for the coming year (Motion seconded by Matthew Millard). Passed with 9 Yays, 0 Nays.

E-mail dated this day June 12, 2018

Through special meeting e-mail method

The motion:

I, (Terri Whyte) move that we have the student and educator portion of the annual meeting on Thurs-Fri, April 25-26, 2019; the ISRT state meeting on Fri-Sat, April 26-27, 2019 for technologists, limited techs, and students; and the BOD meeting on Thurs, April 25, 2019. (Motion seconded by Tammy Delker). Passed with 9 Yays, 0 Nays.

Program Evaluation

Title of Program: ISRT mini-Spring Event Davenport, IA

Date: Jun 2, 2018

Directions: Use the following scale to rate the instructor, program and facility.

SA=Strongly Agree; A=Agree; D=Disagree; SD Strongly Disagree; NA=Not Applicable

The Instructor: Julie Ostrowski	SA	A	D	SD	NA
Crazy Bones					
Objectives were met.	10	3			
Was well prepared, organized and made effective use of available time	10	3			
Presented the material in a clear, interesting and understandable manner.	10	3			
The Instructor: Julie Ostrowski					
Under the Skin					
Objectives were met.	10	2		1	
Was well prepared, organized and made effective use of available time	10	3			
Presented the material in a clear, interesting and understandable manner.	10	3			
The Instructor: Matt Millard					
Future Trends with Radiation Protection					
Objectives were met	11	2			
Was well prepared, organized and made effective use of available time	11	2			
Presented the material in a clear, interesting and understandable manner.	11	2			
The Instructor: Connie Spicher					
I TOLD you I was sick!					
Objectives were met	12	1			
Was well prepared, organized and made effective use of available time	12	1			
Presented the material in a clear, interesting and understandable manner.	12	1			
The Program's:					
content was consistent with the description provided by the promotional materials (brochure/advertisement).	12	1			
content enhanced my professional expertise.	9	4			
The Facility/Room:					
Seating arrangement allowed me to adequately see and hear the instructors.	13				
Audio-visual equipment allowed me to adequately see and hear instructional material	13				
Was comfortable and conducive to learning.	13				

What were the strengths of this program and instructor?

All instructors were great x 2; all so different so that's nice; content was very interesting and the pictures added a nice visual. Speakers had a very good understanding of what they're talking about and made it easy to follow along; interesting information and pictures; everybody knew what they were talking about and had a good understanding of the subject; convenient, inexpensive and good instructors; love to have Julie speak!; I though the whole conference was great!

What suggestions would you make to improve effectiveness of the program and instructor?

Didn't think Under the skin really applies today; Under the skin really isn't a 1 hr presentation-could be covered in a shorter amount of time; Julie O-target audience was good but target audience was new tech and students; more presentation directly related to radiology; be more interactive w the audience; have interactions to people who are involved in what you're talking about; a little more involved images-forensics-g geared toward newer techs

What area(s) of content would you like for future programs? Instead of under the skin maybe something more to do w x-rays--continuing to see interesting cases and visuals to go w them; interesting cases; more crazy bone studies; forensics x 2; would love even more programs like crazy bones and I told you.

IOWA SOCIETY OF RADIOLOGIC TECHNOLOGISTS SCHOLARSHIP – 2019

Technologist Scholarship and Mary Ann Jennings Memorial Student Scholarship

The ISRT in keeping with its mission to educate has provided two scholarships available for each a Technologist and a Student Radiographer. Two \$500 scholarships will be awarded each year; one to a second year student and the other to a technologist enrolled or accepted into an educational program. The recipients of the scholarships will be chosen by lottery at the ISRT annual meeting in April. Recipients need not be present to win. The deadline for application is February 1st of each year.

GUIDELINES FOR APPLICATION

In order to qualify for the scholarship, applicants must meet the following criteria:

1. A Radiologic Technologist must:
 - A. Be a current member of the Iowa Society of Radiologic Technologists
 - B. Hold a current Iowa Permit to Practice,
 - C. Hold active status in the ARRT or be registry eligible
 - D. Be enrolled in or accepted into an Advanced degree or an Advanced ARRT or equivalent certification program.

2. A Radiologic Technology Student must:
 - A. Be a current member of the Iowa Society of Radiologic Technologists
 - B. Be enrolled in an accredited Iowa Radiologic Technology program for at least nine months by Feb. 1st
*(9 months = enrolled by May 1)
 - C. Have a current cumulative GPA of 3.0 or higher.

INSTRUCTIONS FOR COMPLETING APPLICATION

1. Application is to be completed by applicant. All questions must be answered. Please type or print clearly.

2. Attach the following to completed application:
 - A. Technologists:
 1. Copy of ISRT membership card
 2. Copy of Iowa Permit to Practice license
 3. Copy of ARRT card or letter from program director stating Registry eligibility
 4. Documentation of enrollment or acceptance into an Advanced degree program or an Advanced ARRT or equivalent certification program.
 - B. Students:
 1. Copy of ISRT membership card
 2. Letter from an instructor, documenting enrollment in RT program
 3. Non-official transcript of courses with GPA indicated on transcript.

3. Application and all other required information must be postmarked by February 1st.

4. Awards presented at the Friday Session of the ISRT Annual Meeting.

There are two options for submitting your scholarship application. You can click on the link below to print and mail it, or you can submit your application online using the second link.

If you choose to mail your application in please send the completed application with attachments to:
Ashley Balliet
170 Autumn Ct
North Liberty, IA 52317

APPLICATION FOR SCHOLARSHIP –I.S.R.T.

Applicant Name: _____

Address: _____

Phone : _____ HOME E-mail: _____

EDUCATION:

I am applying for the: _____ Mary Ann Jennings Memorial Student Scholarship
_____ Technologist Scholarship

School or college to which the applicant is enrolled or has been accepted:

City and State: _____

Major: _____

Advanced Degree or Advanced ARRT or equivalent certification sought:

Expected Date of Completion: _____

Career Objective: _____

The facts set forth in my application are true and complete.

Signature of Applicant: _____

Date: _____

SCIENTIFIC POSTER RULES

I. ELIGIBILITY

- A. There is one category of scientific poster competition.
 - 1. Registered radiographers and Student radiographers shall compete in one category and may have only one entry.
 - 2. These categories shall be judged separately and all shall receive equivalent awards.

- B. All members in good standing of the Iowa Society of Radiologic Technologists, except those described in paragraph C below, are eligible to compete, provided that their completed applications are sent to the I.S.R.T. President-Elect postmarked no later than **January 15th**, of the current year. (See Section III paragraph A)

- C. The following I.S.R.T members may NOT participate in competition:
 - 1. President
 - 2. President-Elect
 - 3. Annual Meeting General Chairman
 - 4. Co-Chairman
 - 5. Scientific Exhibit Judges
 - 6. Persons employed by commercial firms engaged in the sale, repair or manufacture of imaging equipment or products.

- D. Once the poster is submitted for competition it may not be entered in subsequent I.S.R.T annual meeting competitions.

- E. In order to be eligible for competition the participant(s) must be a member(s) of the I.S.R.T at the time of submission. The competitor(s) must send a copy of their current I.S.R.T. membership card in with the application for presentation.

II. JUDGING

- A. Judges shall be appointed by the President-Elect. The Executive Committee of the I.S.R.T shall approve their selection. Judges shall be responsible only to the President-Elect. Judges must inform the President-Elect of any actual or potential conflicts of interests encountered while serving as a judge.

- B. The judges' selection of award winners shall be based upon the ratings listed in the SCIENTIFIC POSTER EVALUATION {Section VI}. The decisions of the judges are final.

- C. The scientific poster judges shall complete a written evaluation of each scientific poster, and the evaluation shall be available to each participant upon request. The request by each primary participant shall be made on the application form.

III. POSTERS

- A. Applications are to be sent to the I.S.R.T President-Elect by certified mail, return receipt requested. Submission date is determined by the postmark and the returned receipt verifies and acknowledges receipt by the President-Elect.

- B. After submission of the application to the President-Elect, NO CHANGES may be made with regard to poster title or primary participant.

- C. A maximum of two authors per scientific poster shall be allowed.

D. Poster Format

1. A participant will share **a six foot table 15” deep** to display a self-contained poster.
2. View boxes **WILL NOT** be permitted
3. Posters that do not conform to the specifications mentioned in the above paragraph shall **NOT** be eligible for competition.

F. Posters must represent the original work of the participant(s) and cannot be commercially prepared. The posters shall not contain any marks or clues to the participant’s identity such as pictures, references to physicians, hospitals or companies; address; or telephone number. The poster shall demonstrate, in the lower right hand corner, an ID supplied by the I.S.R.T., (no larger than 3”x5”) containing four digits. The President-Elect will prepare the four digit ID card.

G. The poster must be self-explanatory. Appropriate media may support it. It shall be limited to a subject area related to the Imaging Sciences. Posters shall not contain excessive written descriptive explanation. A well-presented exhibit requires only minimum written explanation. The poster shall speak for itself.

H. If visuals are incorporated, no identification of a patient or his or her name is permitted.

I. A scientific poster submitted for competition must not have been previously shown at an I.S.R.T. Annual Meeting. A scientific poster, having been shown competitively at any other Radiologic meeting (A.S.R.T, other affiliate societies, etc.) may be submitted for competition.

J. Any poster that does not adhere strictly to these rules will be eliminated from competition. **No exceptions will be made to these rules.**

IV. INSTALLATION AND DISMANTLING OF POSTERS

A. Installation:

1. The Posters Committee will assign display space.
2. Each participant will assume responsibility for arranging his/her poster consistent with the directions of the Posters Committee.
3. If a participant is unable to install and/or dismantle his/her poster, he/she shall personally arrange for a designee to assume this responsibility.
4. Installation of scientific posters should begin on Friday, the first day of the annual meeting at 7:00 A.M. and must be completed by 1:00 P.M. Friday.

B. Dismantling:

1. Scientific posters shall remain intact in the viewing areas until 12:00 Noon, Saturday, the last day of the annual meeting. At which time award checks will be available through the Executive Secretary.
2. Scientific posters shall be dismantled no later than 2:00 P.M. Saturday, the last day of the annual meeting.
3. Scientific posters that are not dismantled by the specified time shall be disposed off at the I.S.R.T.’s discretion.

V. LIABILITY

A. The participant(s) shall assume responsibility for the poster.

- B. The I.S.R.T. is not responsible for loss or damage. All reasonable precautions to assure safety of the posters during the viewing periods specified in the official annual meeting program will be exercised by the participant.

VI. SCIENTIFIC POSTER JUDGING CRITERIA

All posters shall be judged by the criteria and point scale of the SCIENTIFIC POSTER EVALUATION.

VII. AWARDS

- 1. First Place..... Certificate and \$200.00
- 2. Second Place..... Certificate and \$150.00
- 3. Third Place..... Certificate and \$125.00

- A. If a scientific poster is submitted with a maximum of two participants, and the poster receives an award, both participants will receive a certificate and share the monetary award.
- B. In the event of a tie, both participants will be awarded a certificate and equal monetary awards
- C. In the event a poster is removed from the display hall prior to 12:00 PM on Saturday of the Annual meeting the monetary award will be forfeited.
- D. Awards will be announced after the Installation of Officers on Saturday 8:00 a.m..

ISRT Scientific Poster Evaluation

Poster Identification: _____

		0	1	2	3	4	5	6
1	Poster communicates ideas and information directly related to the title. There is one theme for the exhibit.							
2	Technical qualities of visuals provide optimal visualization of information. Use of high quality radiographs, charts and diagrams. Appropriate patient identification is concealed.							
3	Poster provides information or education on a topic of general interest.							
4	The Scientific data presented are factual and accurate.							
5	There is evidence of research providing new information or expanding on existing knowledge.							
6	The poster is visually attractive, clear and concise. The format is in keeping with the professional nature of the exhibit.							
7	The poster can be easily understood in a maximum of three minutes.							
8	Correct and appropriate terminology is employed. Grammar, punctuation and spelling are correct.							
9	Lettering, charts and graphs are neat and legible from a reasonable distance.							
10	Poster ID card visible in the lower right hand corner of poster							

COMMENTS:

APPLICATION FOR SCIENTIFIC POSTER COMPETITION

I wish to present a Scientific Poster for competition at the Annual Meeting of the Iowa Society of Radiologic Technologists.

1. Scientific Poster Title: _____

2. Primary Participant name: _____
Address: _____
City: _____ State: _____ Zip Code: _____
Phone number: _ (_____) _____
Radiologic Technology School (for Student RT): _____
or
Employer (for RT(R)): _____
School or Employer Phone Number: _ (_____) _____

3. Secondary Participant name: _____
Address: _____
City: _____ State: _____ Zip Code: _____
Phone number: _ (_____) _____
Radiologic Technology School (for Student RT): _____
or
Employer (for RT(R)): _____
School or Employer Phone Number: _ (_____) _____

4. Write a brief description of the poster on the back of this form.

5. I/We DO I/We DO NOT wish a written evaluation of my/our Scientific Poster.

6. Return this application BY CERTIFIED MAIL **WITH** a copy of your current ISRT membership card on or before February 1 (one).
