# PRESIDENTIAL MESSAGE

**Matthew J. Millard, MSTD, RT(R)(CT)**

**ISRT President 2018 - 2019**

Hello Fellow Members,

It has been an AMAZING year serving as your President of the ISRT. We have seen many changes including the restructuring of the Board, running our first year without Areas, and organizing the first Student Educator Seminar hosted by the ISRT just to name a few and I am sure that the next Board will continue making changes to help grow the ISRT and to continue to make it a viable organization to benefit its members. We have to remember that the ISRT is not only responsible to provide its members with CE opportunities but also to give a voice to the radiologic professions to ensure that we are protected and that our State remains a Licensed State. If we lose the protection of being licensed then the doors will be open to replace us with other healthcare workers which would inevitably cause our patients' safety to be compromised.

Thank you all for voting me in as your President and giving me this incredible opportunity. I hope to see you all at the Annual Meeting in April to help us celebrate 80 years of this great organization.

*Matthew*

## Executive Committee Report

2018 ASRT Annual Conference and House of Delegates

June 21-24, 2018

Las Vegas, Nevada

Tammy Delker and Don Bishop attended the 2018 ASRT Annual Conference in Las Vegas, Nevada. Other attendees representing Iowa were, Darin Delker, and two radiology students.

### Day One

The first **HOD Business meeting** was called to order by Beth Weber– ASRT speaker of the House. The ceremony was started off by presentation of the flags, which were carried by the 96 students of the Student Leadership Program. Presentation of the colors and singing of the national anthem was done. Joe Whitten Vice speaker of the house reported that there were 157 seated delegates present at the meeting.

Definitions and rules were given, and a short video was shown on how to click and vote. The house voted to adopt the credentials report, the house of delegate rules and the agenda as printed. Joe Whitten, Vice Speaker of the House presented the Memorial Resolutions and was adopted as presented.

**ASRT Annual Report-** was given by Amanda Garlock, President of the ASRT. Amanda spoke on the completion of all the presidential initiatives. Including a clear path for Radiologic Technologist and students with the ASRT roadmaps. Over 7000 members have taken advantage of these roadmaps already. The 2nd Initiative of MRI safety guidelines with 2600 MRI technologist being surveyed and tabulated for a best practices white paper to be published. Lastly the Power of A Principal was discussed and how the ASRT benefits the profession as a whole.

**Awards-** The annual drawing contest raised more than \$67,000 with the most tickets being sold 1<sup>st</sup> place Ohio and 2<sup>nd</sup> place Philadelphia. Most money raised per capita 1<sup>st</sup> place went to Vermont and 2<sup>nd</sup> place to Virginia. The outstanding grass roots awards for individuals went to Brian Rich from Texas. The Affiliate grass roots award winners was the Pennsylvania Society of Radiologic Technologist. The Most active chapter awards were given out with 1<sup>st</sup> place being the Registered Radiologic Assistant chapters. 2<sup>nd</sup> place was tied with the MR and Education Chapters and 3<sup>rd</sup> CT chapter.

**ASRT Update-** was given by Sal Martino, CEO of the ASRT. 2018 Highlights were given as follows; The ASRT has 154,000 members, the directed reading flax plan is in full effect with instant access to 15 CEU's. ASRT live webcast is going well and member and nonmembers can log in and take part earning CEU's once a month. Successful advocacy efforts with licensure in 43 states and ongoing battles in the remaining states. The ASRT foundation gave out a total of \$340,000 to our members for scholarships, grants, research, and speakers. \$150,000 of this came directly from members support. Sal spoke of upcoming challenges such as encroachment of our profession and threats to current licensure. APNP is pushing for ordering, overseeing, performing and diagnosis fluoroscopic procedures in the VA system. This is not a new battle but one that we need to keep pushing back on. Support for the Affiliates has become easier, there were several contingencies that have been removed for affiliates. In the past each affiliate had to carry a second special insurance policy, this insurance will now be covered by the ASRT and each affiliate will automatically receive it. The ASRT has dedicated \$1 million in funding for the affiliates. To help support items such as Affiliate advocacy, Online advocacy academy and the Affiliate Financial Assistance program. The deadline for application for affiliate funding is October 1, 2018. Sal spoke of the Working for you initiative with new and extended benefits, such as the student exam assessment library (SEAL) it is an online program with access to 100 sample questions for board registry and other helpful tools. Publications that are geared more towards the members as well as transferring tracked credits directly to the registry. Each year the president works on 3 initiatives and the new president initiatives were Highlighted by Mellissa Jackowsky, incoming president. 1) expand research programs, 2) New leadership academy with fresh curriculum, with online, onsite and volunteer candidates. 3) Increase in state advocacy efforts. The 100th anniversary of the ASRT will be held in Albuquerque, New Mexico in 2020. The next HOD meeting will be in Orlando in June 2019.

**AFFILIATE OPEN FORUM-** The open forum was a hot topic as the idea of combined dues was discussed, this would mean that the ASRT would require all its members to be affiliate members and to be an affiliate member you would have to be an ASRT member. The ASRT would set what the affiliate dues are and collect for them. A survey was sent out in 2017 about this topic. 142,532 emailed out and 11,711 returned of those 11,678 were ASRT members. 2,879 were both affiliate and ASRT members and 28 were members of neither one, and 5 only affiliate members. The results of the survey were that 17% of ASRT and affiliate members said they would drop their membership if forced to join both. 52% said that they would drop their ASRT membership the floor was opened for discussion. Don Bishop from the Iowa Society of Radiologic Technologist spoke.

“Don Bishop, Iowa Society Affiliate. On the matter of combined dues, the ISRT would like to voice our concern in the fact that as a state affiliate we would like to maintain our autonomy. We appreciate all the hard work that the ASRT has done for us and continues to do. However, the ISRT does not support this initiative, and would prefer a way to have the ASRT guide the Iowa residents to the ISRT website for membership. This allows us to have more control over item’s that may affect our state members, such as dues. We have resources to keep our dues low for our members and believe our members would suffer if this would move forward. Thank you.”

After much discussion it does not look like this will happen.

Sal spoke on the issue not being growing our members, but it is really growing our leadership, growing those that will help grow the membership.

**ARRT UPDATE-** Steve Herrmann president of the ARRT board spoke. Currently there are 335,000 registered technologist holding a combined 520,000 credentials. Steve spoke about the black and white of primary vs post primary being blurred to more opportunities to receive accreditation with going the education route and the challenges of keeping up and helping both pathways. Steve stressed the importance of the self-reporting of ethical violations within 30 days. Beginning this last January 2018, obtaining a new accreditation will not count towards the CEU’s required for renewal. However, any classes that were taken to achieve the accreditation may count. CQR was again addressed and defined that it is not another board, but rather a tool used to identify skills that may need improved upon for the 10 years’ time span. Anyone accredited before January 1,2011 are grandfathered in and do not need to complete the CQR. If you obtain a new accreditation and were grandfathered in, then you still have the CQR for the new accreditation but not the old one. 3 years to complete the process and done in 3 parts. 1) professional profile, 2) Self-assessment, 3) CQR CEU’s to fill knowledge gaps.

The ARRT communications update included expanded magazine with quality and patient care. The gold standard nominations program and the outreach and education grants. As well as help

with state advocacy. There is a video library available that include ethics, exam development security, CEU requirements and CQR. Taking the CQR should cost nothing to take unless you miss or skip the exam.

**JCERT UPDATE-** Currently there are 610 Radiologic Technology programs with 71 Radiation Therapy programs, 14 MRI and 19 dosimetry programs accredited. The standard revision that are done every 10 years was started last year and will be out for discussion. There will be a 50<sup>th</sup> anniversary education al conference November 4-5,2018 in Chicago, information will be available on the JCERT website. Any standard changes that make it through the revisions will take effect January 1, 2021. Revisions are taking place now with a final version due by April 2020. Standards are being separated into degree vs certificate programs. A clinical coordinator is required when a program has more than 15 students enrolled. 6.2 part 3 was tabled until further comments and input can be obtained. The JCERT is looking for site visitors.

## **DAY 2**

**BY-LAWS OPEN FORUM and COMMISSIONS HEARING-** by-laws were discussed and 4 motions were pulled from the consent calendar some of these were pulled in favor of other motions.

**SPEAKER and VICE SPEAKER open forum-** there was no nominations from the floor for speaker of the house or Vice speaker. Beth Weber current Speaker of the house and Joe Whitten Vice Speaker of the house ran unopposed. Mike Lattimer served as moderator for questions of the candidates.

**Open forum on the practice standard documents revisions process-** Currently the process is suspended to change and revise the practice standards process for one year. This will allow the committee to review and suggest changes without interruption of upcoming revisions scheduled. The committee is charged with changing and eliminating the redundancy found throughout all the practice standards. This is to be finished by the 2019 house of delegates meeting. The proposal is to take all the practice standards, 13 of them and consolidate them into 1 working document with sections dedicated to each modality and redundancies to be overreaching throughout and not need to be addressed as often. So, there would be general criteria that and then specific criteria.

## **Chapter Meetings**

I attended the educators chapter meeting as well as the Cardiovascular chapter meeting.

In the education chapter meeting the ARRT asked that educators try and follow up with past students to ensure the CQR transition is smooth and to help remind them to complete it. Continued discussion on the entry level education to a B.S. degree was talked about with pros and cons. Then a Q and A session. Discussion of attrition and ideas of having students take an intro to radiology class before acceptance into a program may help.

In the CV/VI chapter meeting it was discussed that the chapter was on probation for failure to have enough qualified candidates for delegates, it was discussed on how to get more people involved as well as how to get more people qualified. There are a lot of technologist working in the field that are doing the job without accreditation and on the job training. These members are more than qualified but have yet to sit for the exam, how can we encourage these members to sit for the exam and become more active. How can we make it easier for them to go the post primary pathway? We are not wanting to lower the bar but make it more accessible for member to reach the bar.

.

## **DAY 3**

**HOD BUISNESS MEETING-** was called to order by Beth Weber. Joe Whitten presented the credentials report 157 delegates present; g. The credential report was passed, and quorum met.

The By-laws report was presented with all by-law amendments becoming effective at the close of the business meeting unless a specific date was adopted.

The consent calendar and was passed except for the pulled numbers 18.06,18.07,18.13,18.14 . No late motions were presented. Election results for speaker and vice speaker were as follows: Speaker of the House Beth Webber and Vice Speaker of the House Joe Whitten.

I have attached my voting record as part of my report.

Respectfully submitted,

Don Bishop BS RT(R)  
Executive member ISRT

September 2018 Webmaster- Hawkeye Static Editor Report

Mr. President,

## HAWKEYE STATIC REPORT

The August/September 2018 edition of the ISRT Hawkeye Static will be my last edition as the Editor. I waited to publish it so the approved June Board meeting minutes and reports would be included.

The editions are published quarterly, meaning the 1<sup>st</sup> of March, June, September and December.

Since the Annual Meeting is now in April and all Board Meeting minutes will be delayed with approval until the following Board Meetings, I would suggest changing the Static publication dates to be the 15<sup>th</sup> of those months. In addition, change the information receipt deadline to the 1<sup>st</sup> of each of those months. Which will coincide with the current 2 week deadline prior to publication.

## Proposal:

### *HAWKEYE STATIC PUBLICATION DATES*

*In order to be timely in the printing and distribution of the Static, the following dates identify the deadline for receipt of materials for the respective issues. The materials are to be received by the editor.*

### *STATIC ISSUE.....INFORMATION RECEIPT DEADLINE*

*March 15.....February 1*

*June 15.....May 1*

*September 15.....August 1*

*December 15.....November 1*

## WEBSITE REPORT

The website has been going well. Not much happening to make changes. Online memberships will get busier soon as the majority of the membership renewals are October.

## ONLINE EDUCATION REPORT

ReliasLearning was notified of issues with new accounts having trouble accessing the website. They identified an error on their end and should have the issue resolved this coming week.

Sincerely,

Tracy Kimler, RT(R)

ISRT Web-Editor Administrator

9/3/2018

## FELLOWS AWARD REPORT

As of 9/3/2018, I have received 2 applications for the ISRT Fellow Elevation Award. Their \$50 application fees have been forwarded to ISRT Executive Secretary Joni Caplan for deposit.

The deadline is: November 1, 2018

After November 1, the applications will be shared with the other 2 committee members. Terri Whyte and Tammy Delker.

When 2 more Technologists are elevated to Fellow, the Fellow Committee will be complete. After more applications are received and Technologists are elevated, the committee will be self-sustaining.

Copied from the Fellow application:

## ***THE IOWA SOCIETY OF RADIOLOGIC TECHNOLOGISTS***

### ***FELLOW GUIDELINES***

*The purpose of this document is to aid those ISRT members who are applying for ISRT Fellow status.*

*The ISRT Fellow Committee is a standing committee and is appointed by the President. The ISRT Fellow Committee and Chair will be responsible for the following:*

*The ISRT Fellow Committee members shall be ISRT Fellows and are appointed for a two-year term with the possibility of reappointment.*

*The Committee shall consist of a Chair and two (2) members.*

Respectfully submitted,  
Tracy Kimler, RT(R), FISRT (2018)

The logo is a shield-shaped emblem. Inside the shield, there is a stylized representation of a radiographic image, possibly a skull or a similar anatomical structure, with a central circular element that could represent an eye or a specific radiological feature. The shield is flanked by two vertical lines, and the entire emblem is set against a background of radiating lines, suggesting a sunburst or a field of radiation.

Re: September Report

Communication was sent to all Program Directors in regards to any added agenda items with no response.

Ashley Balliet, Education Co-Chair sent an updated Iowa Schools of Radiologic Technology Contact List to the ISRT Web-Editor on July 1, 2018, for posting to the ISRT webpage.

Colleen Brady-Santwire's last day as Program Director at Covenant School of Radiologic Technology was August 10, 2018. She is returning to teach radiologic technology in Minnesota. Kamila King will be covering the Program Director role in the interim. Following Colleen's departure, Ashley Balliet sent the Web-Editor a newly updated Iowa Schools of Radiologic Technology Contact List on August 24, 2018.

The Sioux City mini-symposium and board meeting November 3, 2018 planning is completed. Event to be held 0730-12:00 St. Luke's Regional Medical Center, Sioux City, Iowa, Auditorium, board meeting to follow. Breakfast has been ordered for the symposium and box lunches for the board meeting, 3 speakers have committed to speaking at the event (Deanna Butcher, 1 hour; Pam Kuntz & Brittnei VanderMolen, 1 hour; and Kristi Weber, 2 hours). The members at large are in communication with speakers.

Ashley Balliet sent the 2019 Student Leadership Development Program application to all program directors on September 6, 2018. All completed applications and essays must be received prior to midnight December 20, 2018. Applications will be mailed to Ashley Balliet, who will then distribute to the Executive Committee Chair.

ISRT Parliamentarian Report

September 1, 2018

To: Matt Millard M.S.T.D. RT (R) (CT)

ISRT President

From: Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian / Bylaws Chair

Parliamentarian Report:

I have received one new notification of a deceased ISRT member since the June 2018 report. Gerald (Jerry) Richard 79, died on July 10, 2018 after a courageous battle with cancer. Jerry was born September 7, 1939 in Marshalltown, Iowa, he attended schools in Dubuque. He began his radiology career as a staff technologist at Mercy Medical Center in 1961 and taught physics in the Radiology program at Mercy Medical Center. He spent most of his career as the Director of Imaging Services at Mercy Medical Center, retiring in 2001. Jerry was an active member in the American Healthcare Radiology Administrators (AHRA). He was elected to many leadership positions and achieved Fellow status in 1992.

Please notify me of any deaths of technologists so I can add their name to the memorial resolution and pay tribute to them at the 2019 annual meeting.

Respectfully submitted,

Rosie Hanson R.T.R. (CV)(M)

## ISRT Bylaws Report

September 1, 2018

To: Matt Millard M.S.T.D. RT (R) (CT).

ISRT President

From: Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian / Bylaws Chair

Bylaws Report:

No actual bylaw changes have come to my attention at this time. In August, I emailed Jason Bradley at ASRT requesting any bylaw changes that would affect ISRT bylaws. ASRT does not have any recommended bylaw changes at this time, however I will continue to review for potential changes. Current copies of bylaws have been distributed to all officers and technologists affiliated with the ISRT Board of Directors.

I did request and receive the 2018 ASRT bylaw changes. See attached.

Respectfully submitted,

Rosie Hanson R.T.R. (CV)(M)

ISRT Parliamentarian/ Bylaws Chair

Attached is notification of date changes for submission of motions for review for ASRT Annual Governance Meeting.

Legislative Report

January 2019

I talked with Angela Leek with the IDPH, currently no new legislative items would be effecting the technologists at this time. They do have a meeting scheduled for March 13th and depending on that meeting there could be some rule package changes. I will contact her and watch for minutes of that meeting se we can get public comments out if necessary.

Charlene officially retired in September from the IDPH. They are currently interviewing for a Program Planner 3 this week to replace her position. Debra Wolf has been covering her duties currently.

Respectfully submitted;

Yvonne Grant

#### January 2019 Hawkeye Static Editor Report

My first edition of the Hawkeye Static was published in December and it was added to the website with a link added to Facebook.

Just a reminder! The last edition of the Static before the Annual meeting will be completed and added to the website by March 1<sup>st</sup>. I will need all articles and information by February 15<sup>th</sup> and this includes all of the information about the Officer Candidates. Please see the list below of items that must be added to the March Edition and be prepared to have those for me in the next couple of weeks:

- Iowa ARRT certifications list
- Scientific Essay Rules and application
- Membership list
- Rules for Procedure for Absentee Balloting
- Nominations for Elected Office
- Resume's and photo of those running for office
- Advertisement for Annual Meeting and Symposium location

RE: Relias Learning and ISRT website

I would like to thank Tracy Kimler for her help in getting me started on Relias Learning. I have officially removed her from helping me of administrative duties on Jan 6, 2019.

The Relias Learning site will be down on January 19, 2019 for approximately 1 hour from 7am to 8am eastern time. There are currently 32 modules that are ASRT approved and available to take on the website.

Attached is a report of the modules and the number of people that have taken those modules.

Here are the ISRT Website statistics for December 2018. You can look at the attached to see the pages viewed.

Bylaws Report:

There has been just one proposed bylaw change for 2019.

I will submit the proposed changes to ASRT after the January board meeting. We will electronically notify the membership 30 days prior to the annual meeting. The final vote will be at the April meeting of the ISRT.

ASRT did not make any bylaw changes at the governance meeting in June that directly affect ISRT by-laws. I did request and receive the 2018 ASRT bylaw changes, these were submitted with the September report.

  - b. It is strongly suggested that the President-Elect master the art of public speaking.
  - c. The President-Elect shall learn the mechanics of presiding at a meeting.
3. The President-Elect shall answer all correspondence promptly with a copy to the President.
4. The President-Elect shall read the files from the preceding year. This will afford an opportunity to become familiar with society policy and transaction.
5. The President-Elect shall maintain a complete, orderly and accurate file. This file is to be transferred to one's successor.
6. The President-Elect shall be chairman of the Nominating Committee. Solicit Board or ISRT members to assist you in finding nominations for Office. See "Responsibilities of Nominating Committee".
7. The President-Elect shall select an Educator's Committee Chairman, Historian, By-Laws/Resolutions Committee Chairman, and Legislative Representative.
  - a. The President-Elect shall contact the current Educator's Chairman, to see which school will provide the Educator's Chairman for the following year. Contact him/her to get their email information.
  - b. The President-Elect shall compile a list of names, addresses, e-mail addresses and phone numbers for the individuals stated below who will be serving during his/her term as President. This list will be dispensed at the incoming/outgoing Officers and Chairman meeting during the Annual Meeting and Symposium on Friday and be updated at the June Board Meeting.
    - Executive Committee Member
    - ISRT Officers
    - Committee Chairmen: By-Laws/Legislative/Educator
    - Executive Secretary
    - "Hawkeye Static" Editor/Website Administrator
    - Annual Meeting and Symposium General Chairman, Program, and Registration Chairmen for the current year and the following year (if possible).
    - Historian
    - ASRT Chapter Delegates
8. The President-Elect shall maintain a close contact with the membership and attend state meetings if possible.
9. The President-Elect shall evaluate the needs of the Society and be prepared to institute new measures to enhance the process of the Society.
10. The President-Elect shall be prepared to be an Alternate Delegate of the ISRT at the ASRT Educational Symposium and Annual Governance and House of Delegates Meeting.
11. The President-Elect shall have a color photo taken prior to the Annual Meeting and Symposium and forward it to the Editor of the "Hawkeye Static" for the use in the "Hawkeye Static" throughout the year. Present the bill to the ISRT Executive Secretary for reimbursement.
12. Submit a copy of his/her auto insurance card to the Executive Secretary for reimbursement purposes
13. Submit a copy of your ASRT card to the President.

CHECK ANNUAL MEETING AND SYMPOSIUM BOOK FOR ANY ADDITIONAL RESPONSIBILITIES ASSOCIATED WITH THE ANNUAL MEETING AND SYMPOSIUM.

## RESPONSIBILITIES OF THE FIRST VICE PRESIDENT

1. The First Vice President shall become familiar with the responsibilities of the President. In the absence or inability of the President to fulfill the responsibilities of that office, the First Vice President shall assume the responsibilities of that office.
2. The First Vice President shall become completely familiar with the Bylaws of both the state and national societies.
3. The First Vice President shall answer all correspondence promptly with a copy to the President.
4. The First Vice President shall keep complete, orderly and accurate files to be transferred to one's successor following completion of one's tenure in office.
5. The First Vice President shall keep an accurate account of all expenditures and submit a voucher to the Executive Secretary.
6. The First Vice President shall be chairman for the membership committee and perform the following responsibilities:
  - a. Encourage membership drives on a state level.
  - b. Keep an accurate up-to-date list of the number of members and percent increase of members. List \_\_\_\_\_ will be e-mailed or sent to you by the Executive Secretary prior to the Board Meetings.
  - c. Submit a report of the membership at each Board Meeting, and Annual Meeting and Symposium.
  - d. Submit a membership up-date report to the Editor of the "Hawkeye Static" for each publication.

  - a. Promote National Radiologic Technology Week.
  - b. Promote the ISRT and its activities to the members of the Society and the citizens of Iowa.
  - c. Shall be the Administrator of the **ISRT Facebook** page and member of the Facebook Administration Committee along with the Editor of the Hawkeye Static. (See Facebook Administrator Guidelines).
2. The Second Vice President shall ask for the dates of NRTW. Contact the Governor's office at the State Capitol in Des Moines for a signing date of our NRTW Proclamation as soon as dates are known. This needs to be signed **BEFORE SEPTEMBER 1ST**. When the Governor signs the Proclamation the Second Vice President should be present, as well as the President of the ISRT and whoever else is interested in attending. A photograph should be taken at the time of the signing for publication in the "Hawkeye Static" and Web Site. If there is no signing date available, the Governor will sign the Proclamation and mail it to you. A copy of the previous year's Proclamation is on file at the Capitol. The dates and new signing are the only changes necessary.
3. Review information on the Website to ensure that current information/events are correct and delete past events.
  - a. Hawkeye Static posted on time
  - b. Continuing Education and Calendar updates
  - c. ISRT Officer and ASRT contacts up to date.
  - d. Advertising as received
4. Seek Board approval for any major expenses needed to maintain or update the Website.
5. Be certain that all on line ISRT activities/business are functioning properly and all information needed is correct. **Update On-line Registration instruction sheet as needed.**
6. The Second Vice President shall answer all correspondence promptly with copies to the President.
7. The Second Vice President shall keep complete, orderly and accurate files to be transferred to one's successor following the completion of one's tenure in office.
8. The Second Vice President shall keep an accurate account of all expenditures and submit a voucher to the Executive Secretary.
9. The Second Vice President shall obtain a list from the ARRT of students from Iowa who passed the Registry. **This should be done in December.** This lists and a note of congratulations from the ISRT will be submitted to the "Hawkeye Static" Editor for publication.
10. The Second Vice President shall correspond on a timely basis to the ASRT "Scanner" all information regarding educational meetings of the ISRT. This information includes registration prior to the meetings, as well as, meeting summaries and photos if available.
11. Notify the ASRT Office and the Editor of the RADIOLOGIC TECHNOLOGY JOURNAL of the dates of the Annual Meeting and Symposium.
12. Submit a copy of his/her auto insurance card to the Executive Secretary.
13. Submit a copy of your ASRT card to the President.

## **RESPONSIBILITIES OF THE SECRETARY**

1. The Secretary shall keep the minutes of all Board of Directors meetings and the Annual Meeting and Symposium. A copy of the approved minutes should be sent to the Editor of the "Hawkeye Static" for publication.
  - a. The Secretary shall type the minutes and e-mail/fax them to the President for proofreading and approval within seven (7) days of the meeting.
  - b. The Secretary shall make all edits done in proofreading and e-mail the minutes to the Executive Committee, Executive Secretary, Officers, Committee Chairmen, Historian, Editor of the "Hawkeye Static", and Annual Meeting and Symposium Chairman within ten (10) days of the meeting.
2. Any Annual Meeting and Symposium reports presented by the Board of Directors and/or Committee Chairmen shall be placed on file. A copy of same shall be attached to the minutes of the respective minutes. These files shall be available upon request to the Board of Directors and Editor of the "Hawkeye Static". Any other requests for files must receive approval of the Board of Directors.
  - a. Files are to be kept with the Secretary Office for five (5) years. The sixth (6) year files are given to the Historian to be filed or destroyed.

## American Society of Radiologic Technologists

### Join the Largest Medical Imaging and Radiation Therapy Association

Radiologic technologists are eligible for Active membership if they are certified by the American Registry of Radiologic Technologists or its equivalent or hold unlimited licenses under state statute. They may vote, hold office and serve as a delegate, and enjoy unlimited access to all ASRT member benefits.

#### Why Join as an Active Member?

**CE Credits Delivered to Your Door** — Membership is the easiest way to earn CE credit and ASRT makes it convenient to renew your ARRT, ARDMS, MDCB, NMTCB, and state registrations and certifications. All of the credits you earn from the ASRT are [automatically transferred](#) for you. Members receive access to a minimum of 15 CE credits each year through Directed Readings in our [journals](#), delivered right to your doorstep.

**Online Social Network for R.T.s** — The [ASRT Communities](#) allow members to find answers to questions, discuss current medical imaging and radiation therapy trends, and connect with one another through the member directory.

- **Advocacy** — Member dues support medical imaging safety advocacy efforts at the federal and state levels.

**Exclusive Discounts** — Enjoy discounts on shoes, scrubs, laptops and more with our [Member Perks](#).
