PRESIDENTIAL MESSAGE

TERRI WHYLE

ISRT PRESIDENT 2020 - 2021

Fellow ISRT members,

It has been my pleasure to serve as your president during the past year. Wow, has it been an eventful year! We initiated phase 2 of updating the ISRT website to make it more user friendly. We also worked to ensure CEUs can be accessed on

the go. Two long-term BOD members have retired. Joni Caplan from Executive Secretary and Rosie Hanson as Parliamentarian. We are very grateful for their years of service! Darin Delker replaced Joni as of 1-1-2020. Jean Wiese and Hannah Fink replaced Rosie on 6-20-2020. We also initiated two additional Fellows-Rosie Hanson and Joni Caplan! What an honor for these ladies.

Then the pandemic struck...our 80th annual meeting was cancelled. Our world was turned upside down. I'm so proud of the response I've seen from radiographers across the state! I've seen innovative ways to conserve PPE while safely imaging acutely ill, chronically ill, Covid+, and persons under investigation for Covid. Your front-line response has been very impressive. It was surreal to imagine that in 2020 we would have such a devastating disease affecting the entire world. I can attest to the ingenuity and tireless adaptation shown by all.

Due to the ongoing IT initiatives, the Executive Committee requested I continue as president to see the projects through final implementation.

Since we're in the midst of the pandemic, we will continue to be mindful of supporting our frontline technologists in any way possible. Also, as we continue forward we will work to develop an option for an online CEU annual meeting. We want to be prepared for any situation that we may face for our 2021 ISRT Annual Meeting.

I look forward to serving all of you this next year. In the meantime, stay safe, wear your mask, and wash your hands!

In closing, I would like to again say how proud I am of all of you!

Respectfully,

Terri Whyle

MINUTES

Minutes from the June ISRT BOD meeting have previously been distributed. No changes were made. Motion was made and seconded to approve the minutes. Motion carried.

FINANCIAL REPORT

Budget was previously approved via email. Darin provided a breakdown for the year end finances for FY ending 9/30/2020. Motion was made and seconded to approve the year end financing. Motion carried.

Dar in presented the new budget for FY beginning 10/1/2020. It was noted that the budget was based on an in-person spring symposium which will likely change. Motion was made and seconded to approve. Motion was carried.

EXECUTIVE COMMITTEE REPORT

Tammy submitted a proposal to increase pay for the CEU management position from \$100 to \$400 due to increased time necessary to accommodate the increased workload in management of this. Motion was made and seconded to approve increase. Motion Carried.

ISRT activities were proposed for NRTW 2020 to be advertised on social media. Monday followers would be asked to submit a picture/video of their organization's activities. Deadline for submission is Friday, gift cards awarded to the three most liked submissions. Additional proposed activities were trivia, free CEU, and the president's message. Activities requiring financing include the free CEU, a \$50 gift card and two \$25 gift cards. Motions were made and seconded to approve funding for these items. Motion carried.

PUBLIC RELATIONS

Lindsey reported that the 2020 Proclamation for National Radiologic Technology Week was signed without an in-person ceremony due to COVID and was mailed directly to her residence. Additionally, she is updating the Facebook and Instagram accounts with the new ISRT officers.

Yvonne reported that the website is up and running. The member portal is still experiencing some updating in respect to membership renewal and allowing members to immediately pick or update their password. She kindly requested that BOD pictures are submitted for the website.

LEGISLATIVE ADVISORY REPORT

Matt provided information regarding the IDPH report changes. Specifically, the new regulations on gonadal shielding and ARRT changes to CE requirements starting in 2022. Regarding shielding, registrants are required to continue to adhere to the current rule of shielding until the IDPH makes a rule change. Organizations may file for a variance and must wait for approval.

HAWKEYE STATIC EDITOR

Matt reports that the current issue of Hawkeye Static is published on the website. Deadline for submissions for the December issue are November 15, 2020. He is currently in need of the approved June and September meeting minutes and the proposed 2020-2021 budget.

CONTINUING EDUCATION MANAGER

Yvonne Grant submitted her report. Proposed ideas to changes in CEU offerings included the possibility of a corporate rate for a comprehensive CEU package, a 2-year CEU discounted rate for members of \$60 and for non-members of \$65, and investigation of a discounted Relias rate since we are nowhere near the 800 capacity mark. These items to be addressed again in January. It was noted that a disclaimer may be necessary reminding those utilizing the CEU's that per IDPH & ASRT guidelines, one may not ever duplicate a self-guided learning CEU.

EDUCATION REPORT

Stephanie provided the report. Jean reported that the student year requirement in the scholarship application is not applicable to programs like the University of Iowa as a three-year program. It was also noted that for some, the scholarship is now awarded when they graduate but can be used to pay back loans. This is likely due to the change from fall to spring.

PARLIMENTARIAN REPORT

Hannah reported that the memorial names were being held onto since they have yet to be recognized at a meeting.

BYLAW REPORT:

Hannah reported that she was ready to send the bylaw changes to the ASRT parliamentarian, confirmed contact information.

OLD BUSINESS

ASRT Meeting / Delegates:

Tammy and Terri remain delegates for the ASRT meeting slated for January of 2021. Darin suggests that as president elect, it may be prudent for Amanda to attend as well as it is overwhelming for someone who hasn't experienced it before to go as president.

New Business

Regarding the spring Student/Educator seminar, Jean suggests consideration of a virtual option as many schools are not allowing travel for their students or staff and we can begin planning for that now.

Terri suggests that we begin research on procuring laptops for members to replace the Chromebooks currently in use as the consensus on the Chromebooks is that they are too slow to use for their intended purposes and members are using personal computers for ISRT duties. Financing for these can be voted on at the January meeting.

Terri suggests that we begin having a monthly phone call to assist in planning. These Zoom calls will begin on 12/8/2020 at 6:30pm and continue on the second Tuesday of each month.

Announcements:

Dixie discussed her experience with the advocacy committee and ASRT Advocacy Academy. She reports it as a positive experience that allows networking opportunities and recommends if anyone is interested, they should look into it. The deadline for application is November 18, 2020.

January Board of Directors meeting date is yet to be determined.

Adjournment: Motion was made and seconded to adjourn the meeting; motion carried. Meeting adjourned at 10:46am.

Respectfully submitted,

Holly Bonfig-Becker, MA, RT(R)(M)
ISRT Secretary

Copies of Committee Reports are available upon request.
