PRESIDENTIAL MESSAGE

TERRI WHYLE

ISRT PRESIDENT 2020 - 2021

Hello to our imaging professionals!

I hope this finds all of you well. 2020 was quite the year! Although it's continuing into 2021, vaccinations and masking up are two ways we can all help stem the tide of illness and death.

Front line imaging staff have done so much to ensure the health and safety of their patients and those around them. I've been humbled daily while I hear stories of the flexibility shown by imaging staff. What have I heard? During imaging restrictions, technologists stepped in to sit with at risk patients to ensure their safety while hospitalized. Radiographers took temperatures, screened for illness on staff and patients, they served as the "clean person" in Covid floors getting supplies so the nurses could reduce the amount of PPE needed for their extremely ill patients, and they rescheduled exams when Covid restrictions were at their highest. Is any of that in our job descriptions? Well, technically yes, it all falls under "other duties as assigned." However, the imaging colleagues were doing it because they wanted to help. I am so proud of those who have taken action to make the situation better!

Beyond the covid scene, imaging professionals have continued to take care of the patients who needed routine screenings, patients with chronic medical conditions and patients with acute medical issues.

SO when I say I don't want a repeat of 2020, I would like to amend that to say, we know there are many more changes coming this year to deal with the pandemic. Please remember to be extra kind to those you're lucky enough to be around and make sure you're taking care of yourself!

Powerless.

The ISRT is diligently working to plan the 2021 virtual annual meeting. We had a fantastic attendance for our free 2 hr CEU on Jan 16. Special thanks to the ISRT BOD for pitching in to make it all work and to Matthew Millard for an engaging couple of hours!

Bylaw changes will be posted by Feb 16 so please review before the annual meeting.

Please consider joining us at our next ISRT BOD meeting on Thurs, April 8!

Your President,

Terri Whyte

MINUTES

Minutes from the June ISRT BOD meeting have previously been distributed. No changes were made. Motion was made and seconded to approve the minutes. Motion carried.

FINANCIAL REPORT

Budget was previously approved via email. Darrin provided a breakdown for the year end finances for FY ending 9/30/2020. Motion was made and seconded to approve the year end financing. Motion carried. Darrin presented the new budget for FY beginning 10/1/2020. It was noted that the budget was based on an in-person spring symposium which will likely change. Motion was made and seconded to approve. Motion was carried.

EXECUTIVE COMMITTEE REPORT

Tammy submitted a proposal to increase pay for the CEU management position from \$100 to \$400 due to increased time necessary to accommodate the increased workload in management of this. Motion was made and seconded to approve increase. Motion Carried.

ISRT activities were proposed for NRTW 2020 to be advertised on social media. Monday followers would be asked to submit a picture/video of their organization's activities. Deadline for submission is Friday, gift cards awarded to the three most liked submissions. Additional proposed activities were trivia, free CEU, and the president's message. Activities requiring financing include the free CEU, a \$50 gift card and two \$25 gift cards. Motions were made and seconded to approve funding for these items. Motion carried.

PUBLIC RELATIONS

Lindsey reported that the 2020 Proclamation for National Radiologic Technology Week was signed without an in-person ceremony due to COVID and was mailed directly to her residence. Additionally, she is updating the Facebook and Instagram accounts with the new ISRT officers.

Yvonne reported that the website is up and running. The member portal is still experiencing some updating in respect to membership renewal and allowing members to immediately pick or update their password. She kindly requested that BOD pictures are submitted for the website.

LEGISLATIVE ADVISORY REPORT

Matt provided information regarding the IDPH report changes. Specifically, the new regulations on gonadal shielding and ARRT changes to CE requirements starting in 2022. Regarding shielding, registrants are required to continue to adhere to the current rule of shielding until the IDPH makes a rule change. Organizations may file for a variance and must wait for approval.

HAWKEYE STATIC EDITOR

Matt reports that the current issue of Hawkeye Static is published on the website. Deadline for submissions for the December issue are November 15, 2020. He is currently in need of the approved June and September meeting minutes and the proposed 2020-2021 budget.

CONTINUING EDUCATION MANAGER

Yvonne Grant submitted her report. Proposed ideas to changes in CEU offerings included the possibility of a corporate rate for a comprehensive CEU package, a 2-year CEU discounted rate for members of \$60 and for non-members of \$65, and investigation of a discounted Relias rate since we are nowhere near the 800 capacity mark. These items to be addressed again in January. It was noted that a disclaimer may be necessary reminding those utilizing the CEU's that per IDPH & ASRT guidelines, one may not ever duplicate a self-guided learning CEU.

EDUCATION REPORT

Stephanie provided the report. Jean reported that the student year requirement in the scholarship application is not applicable to programs like the University of Iowa as a three-year program. It was also noted that for some, the scholarship is now awarded when they graduate but can be used to pay back loans. This is likely due to the change from fall to spring.

PARLIMENTARIAN REPORT

Hannah reported that the memorial names were being held onto since they have yet to be recognized at a meeting.

BYLAW REPORT

Hannah reported that she was ready to send the bylaw changes to the ASRT parliamentarian, confirmed contact information.

OLD BUSINESS

ASRT Meeting / Delegates:

Tammy and Terri remain delegates for the ASRT meeting slated for January of 2021. Darrin suggests that as president elect, it may be prudent for Amanda to attend as well as it is overwhelming for someone who hasn't experienced it before to go as president.

New Business

Regarding the spring Student/Educator seminar, Jean suggests consideration of a virtual option as many schools are not allowing travel for their students or staff and we can begin planning for that now.

Terri suggests that we begin research on procuring laptops for members to replace the Chromebooks currently in use as the consensus on the Chromebooks is that they are too slow to use for their intended purposes and members are using personal computers for ISRT duties. Financing for these can be voted on at the January meeting.

Terri suggests that we begin having a monthly phone call to assist in planning. These Zoom calls will begin on 12/8/2020 at 6:30pm and continue on the second Tuesday of each month. The following additional meetings have been scheduled virtually for 6:30 pm:

12/8/2020

1/12/21

2/9/21

3/9/21

It was decided that the ISRT would get a Zoom account for the virtual meetings, state meeting, and student educator meeting.

Announcements:

Dixie discussed her experience with the advocacy committee and ASRT Advocacy Academy. She reports it as a positive experience that allows networking opportunities and recommends if anyone is interested, they should look into it. The deadline for application is November 18, 2020.

January Board of Directors meeting date is yet to be determined.

Adjournment: Motion was made and seconded to adjourn the meeting; motion carried. Meeting adjourned at 10:46am.

Respectfully submitted,

Holly Bonfig-Becker, MA, RT(R)(M)
ISRT Secretary

MINUTES

Minutes from the November ISRT BOD meeting have previously been distributed. Motion was made by Don and seconded by Christina to approve the minutes. Motion carried.

AGENDA

The proposed agenda for the January ISRT BOD meeting has previously been distributed. Motion was made by Don and seconded by Christina to approve the agenda. Motion carried.

EXECUTIVE SECRETARY REPORT

The executive secretary report was submitted by Darin Delker and distributed for review to the BOD via email. No questions were brought forward regarding the report. Darin reports that many membership renewals have come in since the beginning of January helping the finances. A motion was made by Christina to approve the financial statement, the motion was seconded by Lindsey, motion was carried.

EXECUTIVE COMMITTEE REPORT

The executive committee report was submitted by Tammy Delker and distributed for review to the BOD via email. No questions were brought forward.

MEMBERSHIP REPORT

The membership report was submitted by Christina Yeager and distributed for review to the BOD via email. No questions were brought forward. Christina reported that the numbers are currently low, but improvements have been seen throughout January. Corrections are being made to the website regarding membership renewal. Matt is going to advertise the CEUs free with membership during today's free CEU presentations.

PUBLIC RELATIONS

The membership report was submitted by Lindsey Guterrez and distributed for review to the BOD via email. No questions were brought forward. It was noted that no nominations are required for the 2021-2022 year due to the changes made to two-year office terms.

HAWKEYE STATIC EDITOR

Matt Millard reports that the due date for submissions for the March issue of the Hawkeye Static is February 15, 2021. Currently he still needs the President's Letter, the membership list, and any other articles you think would be good inclusions.

ONLINE EDUCATOR REPORT

The membership report was submitted by Yvonne Grant and distributed for review to the BOD via email. No questions were brought forward. Matt noted that he would remind students at the student educator meeting that their first year of membership to ISRT is free once they have passed boards and submit their ARRT member number.

EDUCATION REPORT

Stephanie Setter provided the report and Terri included the scholarship forms. Stephanie reports that she has received some completed scholarship forms and is inquiring how to submit them. Terri advised to scan the forms and email them to Terri and Matt or to send them USPS attention to Terri.

Stephanie inquired about the forum for the meeting regarding virtual or in person. Terri stated that the meeting will be 100% virtual. Matt states that he needs a moderator for the educator forum.

PARLIMENTARIAN & BYLAWS REPORT

Hannah reports that she has received no death notifications since taking over the parliamentarian office. Terri reported that no official notices are made and that they are received by word of mouth. It was suggested that we do a social media and website push for notices so that we can honor them at the meeting and pass on to the ASRT for memorial at their annual meeting in June. Notifications can be directed to Hannah via email.

Hannah also reported that she is still waiting on Jason Bradley regarding the biennial report and its ability to double as articles of incorporation. ASRT questioned Hannah as to whether we had secured legal representation to review these items for us. Darin reports that the incorporation articles should be a one-time submission and only the biennial report needs updating. Yvonne reports that the ASRT must approve the changes to the bi-laws and need to post by mid-February; Hannah will continue to reach out to Jason Bradley until she gets an answer.

LEGISLATIVE ADVISORY REPORT

Matt provided updated information regarding the IDPH report changes looking at an effective date of July 21, 2021. Matt estimates that changes will open for public comment in March 2021 and we should look to the website and email for notice of rule change. The changes appear to be mostly terminology and the statement that gonadal shielding should no longer occur. Reminder that current rules must be followed until changes are effective unless a variance has been filed and approved. Noted that bystander and occupational shielding requirements have not been removed in these changes.

HISTORIAN REPORT

Connie Spicher states nothing new to report.

FELLOW REPORT

No report provided.

MEMBER AT LARGE REPORT

Kerrie Bunnell and Dixie Ferguson report that today's free CEUs were ASRT approved. Terri states that CQR approval was not sought in error but Matt suggests it can be granted post presentation. Kerrie and Dixie will work on that.

OLD BUSINESS

Matt is presenting two CEU approved talks for free today to all registered participants.

2021 ASRT Annual Meeting is currently slated for June 18-20, 2021 in Reno, NV. Tammy, Terri, Yvonne, and Don still need to be registered to attend.

80th Annual ISRT Meeting & Educational Seminar, April 9-10, 2021. Due to COVID this meeting will be presented virtually. Moderators will be needed for attendees with cameras, Google Forms quiz will be utilized for those without. BOD meeting will occur Thursday night @ 6pm, Finance Committee @ 4pm.

2021 Student/Educator Seminar, April 8-9, 2021. Due to COVID this meeting will be presented virtually. Exhibits will be judged via student submitted photographs. Steph will add the call for judges to her February email asking for educator forum topics.

New Business

Pricing discussed for seminar attendance and proposed as follows. A motion to approve this pricing was made by Tammy Delker, motion seconded by Christina Yeager, motion passed.

\$75 for non-members (offered membership at time of registration)

\$25 for students (Saturday free but requires registration)

\$25 for educators, \$5 additional for Saturday

Last year the ISRT Save the Date message was sent via email and not postcard. Terri reports that some lifetime ISRT members were displeased with this. This year she is going to send these members postcards in addition to the mass email. The postcard will direct them to the website for registration.

The Affiliate Development Program deadline was extended to January 20. Terri reports that will be submitted in time.

Madison Graeve from the University of Iowa Rad Sci program is participating in the ASRT Student Leadership Development Program.
