

# THE IOWA SOCIETY OF RADIOLOGIC TECHNOLOGISTS

## Application for Membership Recognized Iowa Radiology Program

The ISRT would like to offer you a 1-year membership to the ISRT, free of charge. This membership is only available to current graduating 2nd year students from a recognized Iowa Radiology Program.

The membership year is from your graduation date until the same date the following year. If you are currently an ISRT member, the free membership will start at the end of your current membership.

It is our hope that this will help you during your 1st year as a registered radiographer and that you will continue to be an Active or Associate member of the ISRT.
